Happy New Year! "The LORD bless you and keep you; The LORD make His face shine upon you, and be gracious to you; The LORD lift up His countenance upon you, and give you peace." Num 6:24-26 NKJV

We are so excited about our children here at Gabriel House and would like over the next several months to introduce them to you so you can get to know them and love them as much as we do. You can greatly bless their lives by praying for them.

We would like to start by introducing Marisol to you!

Marisol will be 4 years old July 3, 2007 and has been with us since she was three months old. You would never know she has the HIV virus. The anti immune deficiency drugs she takes keep her healthy. The drugs are free both in the US and Mexico and it is believed that children with HIV can live normal lives as long as they are given their medicine. Her future is bright and hopeful.

Marisol is available for adoption to a Christian family who would love to have a beautiful little girl. She is a normally developing toddler who loves to play, sing and dance. She attends our toddler classes Monday through Friday where she actively participates in coloring, painting, jumping on the trampoline and other toddler activities. Her greatest accomplishment so far is an "A" in potty training. She is a delightful girl and full of life.

Please pray for Marisol that she will come to faith at an early age and grow into the woman God has planned for her to be.

Love in the mighty name of Jesus,
Ted, Renie, the children and staff of Gabriel House
