I don't think in all the years at Gabriel House we have been in as much financial hardship as we are now.

We have enjoyed credit at the local hardware store and pharmacy until now; they will no longer extend credit to us. This means that some urgently needed medicines for our children will not be available when present stock is gone.

In addition, we have had two key people give their notice along with two child-care providers due to our not being able to pay their salaries. We are behind on our utilities, and are depending on food donations to feed the children.

It is never easy to ask for help but we are in urgent need in order to support our kids with the minimums of life. Please send whatever you can to help and please take a few minutes right now to pray for Gabriel House.

As you give to Gabriel House you can stand on the promises of God as stated in Proverbs 19:17 "He that hath pity upon the poor lendeth unto the Lord; and that which he hath given will He pay him again."

In these times of worldwide financial pressure, don't forget the poor and God's promise to you when you give.
