

News from Gabriel House

January 10, 2009

The children at Gabriel House had a great time with their friends at Jedidiah Surf Team from San Diego. They came down with dozens of cookies for the kids to decorate and, of course, eat. What fun everyone had! Take a look at our home movies of the day. Actually this is a very high quality video that I think you will enjoy. [Click here](#)

Jedidiah has been a supporter of Gabriel House for several years with their time, talent and resources. They offer tee-shirts on their website with a portion of the proceeds going to Gabriel House. Purchasing one of these tee-shirts would be a great way to thank them for their support of Gabriel House as well as helping us. [Click here](#)

It is such a blessing to us when groups take an interest in the social development of our kids. If your group would like to plan an activity with the children of Gabriel House, please contact Mexican Medical Ministries for scheduling information. [Click here](#)

We had a good Christmas and are looking forward to a blessed year. Thank you for all your support and prayers. We couldn't do it without you.
