

March 4, 2009

Greetings from Gabriel House.

We just wanted to let you know that we are feeling safe here in spite of what you are seeing on television; the Lord is with us. And we totally understand your reluctance to visit us with all the news of violence and agree with your decision to wait for a more peaceful time.

So, since you can't come here just now we are going to visit as many of you as we can to share all the good things the Lord is doing at Gabriel House.

We have a very generous offer of plane tickets anywhere in the US given to us by a good friend of Gabriel House. We have four trips planned in the next two months and it is our hope that we will be someplace near enough to you that we can get together for a visit or be invited to your small group or Sunday school class; we would really like to see you!

The weekend of March 7, we will be in the Visalia, California area.

3rd of April to the 14th we will be in Portland, Oregon and Western Washington

19th of April in the San Diego area.

23rd of April for two weeks Harrisburg, Pennsylvania and Albany, New York .

If we can connect with you please call me soon at 619-407-7499. When we are in the United States I can be reached on our cell: 619-227-4351.

If you are unable to meet us while we are traveling, please remember us in your prayers and with your financial support. Our funding has dropped greatly but we cannot abandon our kids; we are the only parents and home many of them have ever known.

If you were planning a trip to Gabriel House this year and have had to cancel, please consider sending the funds you would have spent on expenses to Mexican Medical *www.mexicanmedical.com <<http://www.mexicanmedical.org/>>*designated to Gabriel House of Mexico. We would so very much appreciate that and the timing couldn't be better.

Love in the mighty name of Jesus
