

What a difference three months of love, good care and good food can make!

We are so happy with the progress Betzy is making and wanted to share with you what a difference you, as a supporter of Gabriel House, have made in the life of this precious little girl.

Many of you may remember that last October we introduced you to Betzy. She had just been discharged from the hospital where she had had three heart attacks stemming from malnutrition so extreme that her body could no longer function.

Betzy has no known living relatives. Her addicted mother abandoned her at birth to an aging and sick great grandmother who died trying to keep herself and Betzy alive.

Today Betzy is almost chubby. She smiles at everyone who passes by. She has gone from a tortured little soul who hurt when she was held to a happy and contented 'cuddle bug'.

We are praying that her bones and joints will recover to the point where therapy will help her stand and walk.

None of this would have happened without your gifts and prayers. We and Betzy thank you from the bottoms of our hearts!

One of our biggest challenges is having volunteers who want to come on a consistent basis and learn the needs of the children and help us follow through with programs that will help them develop to their true potentials.

(Jas 1:27) Pure religion and undefiled before God and the Father is this, to visit orphans and widows in their afflictions, and to keep oneself unspotted from the world.

Our prayer needs are as follows:

*Spiritual: *

- Time to spend with God
- A Christ like attitude
- A continued hunger for God's Word
- Courage to stand for God's truth
- Courage to stand in the face of adversity
- Provision for the needs of the children and our wonderful staff materially, physically and greatest of all spiritually.

Physical:

Ted:

- Health for Ted and sitting in His presence

Renie:

- Freedom from Pain
- Weight loss

God bless you in the mighty name of Jesus,
Renie, Ted and the Munchkins
